Dear Mr. Leitch and Chorus Members,

I am writing to thank you for your recent performance at our school's Christmas Family Night. Your Chorus' rendition of several Christmas songs was both enjoyable and impressive. We all enjoyed listening to the Chorus and joining with you in singing and signing some of the songs.

We thank you also for your generous donation of \$700.00 to our program for the Deaf and Hard of Hearing. The money will go towards purchasing a colour printer for one of our computers, and a kit to assist us in our program goal of allowing the students to develop strong skills in the area of technology. With these two additions to our program, students will be able to create multi-media projects which will include captioning.

Thank you once again for your interest and support of our program. We look forward to seeing you all at our Christmas Concert in 1997.

Sincerely,

Janene Hall,
Department Head
Deaf & Hard of Hearing Program

Dear Barber Shop Chorus,
I would like to thank you for the wonderful show you gave us on our Christmas Family Night. My students really enjoyed your songs. On Thursday we decided to write letters to show our appreciation. My class is a grade 2/3 split (ages 7 or 8) so please pardon any spelling errors.
Thanks again, Linda Rowell
(teacher)
