## **We Sing That They Shall Speak**

This is the theme of the charitable work assumed by our international association the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America. Through your support of shows, such as "A Time To Remember", the First Capital Chorus is able to participate internationally and locally in supporting children with communication impairments. Locally, we provide assistance to the Uplands Elementary School Hearing Impaired Class where last year part of our contribution was used to purchase a visual alarm system.

## **Christmas ..... Barbershop Style**

On December 17th at the Chandos Pattison Auditorium, Surrey, the First Capital Chorus will be holding a Grande Finale to its annual Christmas Cruise. Admission is by donation with proceeds going to the **Langley Christmas Bureau**.

This popular show, which includes numerous guest entertainers and an audience sing-a-long will conclude a series of community "sing-outs" during November and December at local businesses such as Chapters, Newlands Golf Club and Other Co-Op where all donations are turned over to the Bureau. Last year the Chorus raised close to \$4000 in an effort to make a more joyful time for those who are less fortunate.

*Join us on December 17th and enjoy the music of Christmas while helping others.*

## **Future Shows**

If you would like to be informed about future shows presented by The First Capital Chorus, we would be pleased to place you on our mailing list. All you need to do is complete the form that has been inserted in this program, and deposit it with a Chorus representative and we will send you notices of future shows.

The Chorus is already busy rehearsing for its Spring 2000 show which will feature **Popular Songs of the 50's and 60's**. This show promises to be a lot of fun. We're certainly having fun preparing for it. You won't want to miss this one. Watch for it in late May or early June, final dates yet to be determined.
